# Worksheet | HOW CAN I GET INVOLVED IN MY CAMPUS COMMUNITY?

For this activity, you will conduct research online to find out what kinds of opportunities for getting involved are available at your college.

## Getting started

To begin your research, visit your college's website. If you don't yet know which college you will attend, choose the institution you're most interested in.

## Research tips

Browse the college's website for campus and community involvement information. Many institutions provide sections for Students or Current Students, Campus Life or Student Life, or Student Affairs on their websites where you can find this information. If you can't find the information, use the website's search tool, if available.
